- 2) Travel & accommodation not included in the fees.
- 3) Certificate will be awarded at the end of the workshop.

# WORKSHOP FACULTY

**Dr. Tushar Hegde**

**Dr. Tushar Hegde, MDS** is a post graduate from SDM College of Dental Sciences, Dharwad (2002). He has received formal training under Dr. Didier Fillion (founder - European, British, & World Society of Lingual Orthodontics), Dr. Rafi Romano (Israel), & Dr. Hee Moon Kyung (founder - Korean Lingual Orthodontic Association (KLOA) & is an expert in Invisible Braces treatment & a certified orthodontist for the Incognito system after training under Dr. Dirk Wiechmann (Germany) & Dr. Skander Ellouze (Tunisia).

A great believer, promoter & ardent practitioner of Lingual Orthodontics, he is actively involved in research & development projects aimed at simplifying the technique & making it economically viable. In pursuit of exactitude, he uses precision specific apparatus like "Torque Angulations & Bracket Positioning Devices" for indirect bonding of Lingual brackets in his laboratory (Locus Lingual Laboratory).

His presentation titled "Trepidations vis-a-vis Lingual Orthodontics" was awarded the best Clinical Paper Award at the 44th IOC Conference held in New Delhi in November 2009. His clinical experience with Lingual Orthodontics in India has given him a vivid insight of how its practice should be improvised to suit a variety of clinical situations.

LoCUS was founded by Dr. Tushar Hegde in 2008 & has successfully conducted 27 workshops all over the country (Dharwad, Mangalore, Chennai, Lucknow, Surat, Coimbatore & Mumbai) & 2 international workshops (Bangkok & Kuwait). He was the organizing Secretary of the '3rd Indian Lingual Orthodontic Congress – Mumbai, 2014' & the Scientific Chairman of the '4th Indian Lingual Orthodontic Congress – Chennai, 2015'.

**Dr. Dhiraj Shetty**

**Dr. Dhiraj Shetty, MDS** graduated from SDM College of Dental Sciences, Dharwad in 1998 and completed his post-graduation in Orthodontics from A. B. Shetty Memorial Institute of Dental Sciences in 2002. Conducted several workshops in India and Abroad with Team LOCUS.

Underwent extensive Lingual Orthodontic training with Dr. Rafi Romano in 2007. Certified INCOGNITO™ Brace provider. Underwent laboratory training in CAD/CAM Aligner software from Italy.

He has conceptualised "Lingual Angulation and Positioning Device" (LAPD), which offers an easy and reliable method for bonding lingual as well as labial brackets at panned height and width with desired tip and torque for Customised Bracket Prescription.

Director of ACCORDANT DENTAL CLINIC. Managing partner of Mastercare Health, which does research and development in the field of Orthodontic related CAD/CAM technologies.

He has been the former Professor of Orthodontics from A.B.S.M.C.D.S. Also guest speaker at several national and international conferences and PG conventions.
